

# ONE ZERO ONE

SAVES THE WORLD

JEREMY  
ROBINSON

TIAGO  
PALMA

GENETICS  
IS THE STUDY  
OF GENES.

DNA. HEREDITY.  
IT'S WHAT WE'RE  
STUDYING HERE  
WITH YOU.

AND YOUR  
BROTHERS. YOU'RE  
HELPING US HARNESS  
HUMANITY'S FULL  
POTENTIAL.

I WOULD  
LIKE TO SEE  
THE WORLD.

WHEN WE'RE DONE,  
YOU'LL SEE MUCH  
MORE THAN JUST THIS  
WORLD. BUT YOU'RE  
NOT READY...

...NOT YET.

RAAARRRR

THUD  
THUD

DON'T  
FIGHT IT,  
SON. YOU WILL  
ADAPT.

I KNOW IT  
HURTS, BUT  
CHANGE--*TRUE*  
CHANGE--IS  
NEVER EASY.

AARRGH!

BZZZZT

BZZZZT

FASCINATING. THE  
SUBJECT'S BODY  
IS REGENERATING AS  
FAST AS I CAN REMOVE  
ORGANS.

Splat

Splurp

HE SEEMS TO  
BE DRAWING RAW  
MATERIALS FROM  
THE VERY AIR  
AROUND HIM.

THINGS HAVE  
GOTTEN OUT  
OF HAND. THE  
WORLD IS...

CHAOTIC. WE  
WILL RESUME  
WHEN IT IS SAFE.  
UNTIL THEN...

...GOODBYE, ONE ZERO ZERO ONE.

BZZZZZZZZZZ
